**Empowering Women To Explore
& Live Their Passions**

Founder: Dotsie Bregel 1-877-BBOOMER info@nabbw.com

The National Association of Baby Boomer Women is the only association devoted to addressing issues concerning 38 million of the healthiest, wealthiest, and best educated generation of women to ever hit midlife, baby boomer women.

NABBW is dedicated to:

- a. Empowering women to explore their passions and live life to the fullest.
- b. Connecting, encouraging, and supporting baby boomer women.

NABBW promises:

- a. A membership package that includes information on self-improvement skills, free legal and financial advice using e-mail, exclusive member discounts on a variety of products and services, easy ways to connect with other boomer women, and MORE..
- b. A sense of belonging to a creative, powerful, encouraging group of women that will leave you feeling refreshed, revived, and renewed.
- c. Access to information from an enthusiastic, energetic, wise, and warm panel of experts who have written books, founded Web sites, and coached women on the following topics:

NABBW believes:

- a. The only way to capture the life of your dreams is to create it.
- b. In educating women about the topics that concern you most.
- c. Life is grand and you hold the key and power to that grandeur.
- d. In bringing focus and clarity to your desired future.
- e. Fun-loving women sharing positive energy opens a world of opportunity.
- f. We can help you seek, claim, and live your passions.
- g. You can find joy, live in the moment, have healthy relationships, and laugh more often.
- h. Personal fulfillment opens doors for BLISS in all areas of life.

Our members are courageous, dynamic, optimistic, trustworthy individuals who are committed to empowering you to explore your passions and live life to the fullest.

Dotsie is an expert on all issues concerning her generation of women. She has been mentioned in Time magazine, and AARP Bulletin, among dozens of newspapers across the nation. She frequently does radio interviews and has been interviewed for many publications. She was also invited to appear in the outside audience of The Early Show (CBS) with Dave Price.
